The screenshot displays the LIFT Distribution System interface. On the left is a dark sidebar with navigation options: Downloads, Maintenance, ADMIN (Users, Roles, Permissions, Organizations), and Audit Trail. The main header shows 'LIFT Distribution System' with a settings gear and a user profile icon. The breadcrumb trail is 'HOME > DOWNLOADS'. The 'Downloads' section has a search bar and the text 'Keep track of all the installer.' A card for 'LFCES Application Installer' is shown, including an image of the software box, the description 'Installation package for LFCES Application', and 'Version 1.0'. A blue 'Download' button with a download icon is positioned to the right of the card.

1. Click **Downloads**.
2. Click **Download** beside file to be downloaded.
