NOTICE TO REAL PROPERTY TAXPAYERS

Dear Valued Property Owners,

We extend a warm invitation to settle your 2024 Real Property Tax (RPT) or AMILYAR in full, and we're thrilled to share an exclusive opportunity with you. By paying in advance, you can avail 10% discount on your total payment.

Furthermore, it is mandated under City Ordinance No. 03-2017 that you consider the holistic approach of settling your RPT for Buildings, Other Improvements, and/or Machineries alongside the respective land/lot taxes.

For those who prefer a more flexible payment arrangement and forego the 10% discount, this quarterly schedule have been established by law:

First Quarter	-	on or before March 31, 2024
Second Quarter	-	on or before June 30, 2024
Third Quarter	-	on or before September 30, 2024
Fourth Quarter	-	on or before December 31, 2024

To ensure a seamless process and to avoid any inconvenience, we kindly urge you to settle any arrearages promptly. This proactive step will not only prevent additional interest but also eliminate the possibility of public auction for delinquent properties.

For other inquiries, you may call our Real Property Tax Division thru Tel. nos. (02) 8-281-4999 loc. 3008 or email us at ingatyaman.malabon@gmail.com.

Your cooperation is highly appreciated, and we thank you for contributing to the continued growth and prosperity of our city.
